FINANCE MINUTES

ADM: 888 (910 Budgeted)

As of month-end, 58.3% of the year was complete.

Revenues received at end of the reporting period – 58%

Expenditures disbursed at end of the reporting period – 49%

Cash Balance as of the reporting period is \$2,760,508 up from the previous month of \$2,698,126. Mainly due to receiving an additional holdback payment from FY21.

Prior year holdback balance is estimated to be \$73,720 as of the reporting period. Amounts will be paid back as MDE finalizes their review of annual entitlements.

Jen and Jenny have met to work on a revised budget for the year given the lower enrollment. Expenditures will be adjusted for staffing updates as well as decreased transportation costs.

The school is working on a spending plan with MDE to spend food service funds on needs for the program.

Jen has an excellent business sense and takes such good care of the budget that we feel confident and relieved when reviewing. (This was not made up by Geraghty)
