**MINUTES**

The committee discussed the feedback sent out by the Minnesota Department of Education this spring on the school's 2017-2018 World's Best Workforce report. Since prior year reports are due to MDE each December and state feedback is received the following spring, there is year of lag time between final implementation and receipt of feedback.

The committee then discussed their thoughts for the 2019-2020 World's Best Workforce plan.
