FINANCE MINUTES

The committee reviewed the proposed FY22 budget and will present the budget for board approval at the next board meeting.

Contracts for next year will be ready to send out to staff following board approval of the budget.

The committee discussed the possibility of paying out unused sick and personal time at the end of the school year and identifying blackout dates when teachers would be unable to use time for planned absences. The cost would be partially offset by the money budgeted for substitutes.

Summer school will be happening in June/July. Information will be sent to families and staff soon.

The finance committee reviewed the finance policies and will present recommended updates to the board for approval.
