COMMITTEE MINUTES

~ Discussed board member's training from MN charterboard website.

~ Discussed: With significant legislative activity anticipated at the Minnesota State Legislature this year, the Minnesota Association of Charter Schools (MACS) is expanding its grassroots advocacy efforts to strengthen awareness, engagement, and representation across Minnesota's charter public school community. As part of this initiative, MACS is launching a Parent and Caregiver Advocacy Cohort this fall and has invited charter school leaders to nominate interested parents and caregivers to participate.
